How to Use:

Add a "check mark" at the end of the day if you followed your habit successfully.

Add an "X" at the end of the day if you did not follow your habit successfully.

For some habits you may not need all 4 weeks to reach 90-100% consistency, and for others you may need more than 4 weeks.

Stick with ONE habit at a time. They will build on each other until eventually you are a beast!
