

Sweet Potato Kale Hash

Ingredients

2-4 organic eggs
Shredded or chopped baby kale
1/2-1 cup baked sweet potato cubes
1/4 cup feta cheese
1/2 small avocado
2 pieces of uncured bacon (can use turkey bacon if preferred)

Directions

To bake the sweet potatoes, preheat oven to 400. Cube potatoes, toss with olive oil (just enough to coat) and salt and bake on a pan lined with parchment paper for 20 minutes. Chop kale, or buy pre-shredded/chopped. Cook bacon according to package instructions (can prep ahead to save time). Scramble eggs with the kale and toss all ingredients together.
