THE GREEN TEAM STANDARDS & GOALS	BUILD GREEN	↑
	SWAY GRAY	↕
	REMOVE RED	↓
1. You need to be in the GREEN to get your teammates to the GREEN .		
2. The more athletes in the GREEN , the easier it is to get others into the GREEN .		
3. Keeping people in the GREEN is a daily responsibility. If you let up, they'll slip up.		
4. If you're a FLOATER (floating between GREEN & GRAY or RED & GRAY depending on the day) you're always in the lower of the two levels		
5. Those in the GRAY will SWAY & go where the influence is stronger: GREEN or RED .		
6. The GRAY space is a SAFE space, but NOTHING SPECIAL happens there.		
7. Those in the RED like it when others are in the RED with them. They are great RECRUITERS .		

The Red Team

- Those in **RED** like it when others join then in **RED**
- Great RECRUITERS
