

Rising Leadership Green Team Task **Green Team Spotlight**

1. Gather the team during the first or last 10 minutes of a dryland workout
2. Introduce **The Green Team Rules (seen to the right)**
3. Ask teammates: What are the characteristics of the Green & the Red Team? Talk about what those teams look like as a group.
4. Launch **Green Team Spotlight**: 2-3 mins after practice (daily or weekly) to recognize teammates living **Green Team Standards**.

The **Green Team Spotlight** can be after practice each day, or each week!

<i>THE GREEN TEAM</i> STANDARDS & GOALS	<i>BUILD GREEN</i>	↑
	<i>SWAY GRAY</i>	↕
	<i>REMOVE RED</i>	↓
1. You need to be in the GREEN to get your teammates to the GREEN .		
2. The more athletes in the GREEN , the easier it is to get others into the GREEN .		
3. Keeping people in the GREEN is a daily responsibility. If you let up, they'll slip up.		
4. If you're a FLOATER (floating between GREEN & GRAY or RED & GRAY depending on the day) you're always in the lower of the two levels		
5. Those in the GRAY will SWAY & go where the influence is stronger: GREEN or RED .		
6. The GRAY space is a SAFE space, but NOTHING SPECIAL happens there.		
7. Those in the RED like it when others are in the RED with them. They are great RECRUITERS .
