

Senior Leadership Green Team Task

Green Team Spotlight

1. Gather the team during the first or last 10 minutes of a dryland workout
2. Introduce **The Green Team Rules (seen to the right)**
3. Split into groups of 4-5 & each group list 3 **Green Team Standards**
4. Have each group share with the team → narrow to 5 key standards by blind vote with everyone.
5. Launch **Green Team Spotlight**: 2-3 mins after practice (daily or weekly) to recognize teammates living the **Green Team Standards**.

Options for Green Team Spotlight:

- Open shoutouts to anyone & any trait after practices
- Select a random teammate & trait → have them share who showed it the past day/week
- Pick 1 trait → have several people share who modeled it.

The **Green Team Spotlight** can be after practice each day, or each week!

THE GREEN TEAM STANDARDS & GOALS	BUILD GREEN	↑
	SWAY GRAY	↕
	REMOVE RED	↓
1. You need to be in the GREEN to get your teammates to the GREEN .		
2. The more athletes in the GREEN , the easier it is to get others into the GREEN .		
3. Keeping people in the GREEN is a daily responsibility. If you let up, they'll slip up.		
4. If you're a FLOATER (floating between GREEN & GRAY or RED & GRAY depending on the day) you're always in the lower of the two levels		
5. Those in the GRAY will SWAY & go where the influence is stronger: GREEN or RED .		
6. The GRAY space is a SAFE space, but NOTHING SPECIAL happens there.		
7. Those in the RED like it when others are in the RED with them. They are great RECRUITERS .
